SOLIDARITY LETTER TO Yves Rocher / Flormar workers

Dear colleagues in Turkey,

The Regional Energy Trade Union Network of South Eastern Europe, all our member organizations and me personally as a woman and as Coordinator of Secretariat for women's affairs are following with great attention your struggle and your efforts to reinstate the sacked workers back to their jobs.

Opportunities don't happen, you create them!
If you do not GO after what you want, you'll never HAVE it!

We applaud your courage in standing up for your rights!

We are honestly proud to stand up with you in this fight, in the fight to force the Yves Rocher company and its subsidiaries to stop reinventing existing rights, and to enforce them; to ask Yves Rocher's management to respect trade union rights, reinstate the dismissed union members and enter into dialogue.
It is completely unacceptable for such well-known global brand not to respect fundamental human rights!

We strongly support your fight! The struggle of your workers is our struggle too!
Together, we are stronger, together we can do it! "We refuse to be jobless".

In Solidarity!
