

THE NETWORK'S LONG TERM STRATEGY TOWARD THE SOCIAL FORUM AND ENERGY COMMUNITY'S MINISTERIAL COUNCIL FOR SOUTH EAST EUROPE

The General Assembly of the Regional Energy Trade Union Network of South East Europe once again confirmed, at its third regular session held in Belgrade on 19 September 2009, its long-term strategy toward the Ministerial Council of the Energy Community for South East Europe and the Social Forum, encompassing three basic principles:

1. Genuine, equitable and honest social dialogue!
2. Preserving energy resources and public enterprises in the countries of South East Europe!
3. Protection of interests and rights of employees, pensioners and citizens in the countries of the region!
